TERMS OF SUBSCRIPTION.

MEMORANDUM of the agreement between THE MERCANTILE AGENCY, on the one part, and the undersigned, Subscribers to the said Agency, on the other part, viz:

The said MERCANTILE AGENCY are to communicate to us, on request, for our use in our business, as an aid to us in determining the propriety of giving credit, such information as they may possess concerning the Mercantile Standing and Credit of Merchants, Traders, Manufacturers, etc., throughout the United States and in the Dominion of Canada. It is agreed that such information has mainly been, and shall mainly be obtained and communicated by servants, clerks, attorneys, and employés, appointed as our sub-agents, in our behalf, by the said MERCANTILE AGENCY. The said information to be communicated by the said MERCANTILE AGENCY, in accordance with the following rules and stipulations, with which we, Subscribers to the Agency as aforesaid, agree to comply faithfully, to wit:

1. All verbal, written or printed information communicated to us, or to such confidential clerk, as may be authorized by us to receive the same, and all use of the Reference Book hereinafter named, and the Notification Sheet of corrections of said BOOK, shall be strictly confidential, and shall never, under any circumstances, be communicated to the persons reported, but shall be exclusively confined to the business of our establishment.

2. The said MERCANTILE AGENCY shall not be responsible for any loss caused by the neglect of any of the said servants, attorneys, clerks, and employés, in procuring, collecting, and communicating the said information, and the actual verity or correctness of the said information is in no manner guaranteed by the said MERCANTILE AGENCY. The action of said Agency being of necessity almost entirely confidential in all its departments and details, the said MERCANTILE AGENCY shall never, under any circumstances, be required by the subscriber to disclose the name of any such servant, clerk, attorney, or employé, or any fact whatever concerning him or her, or concerning the means or sources by or from which any information so possessed or communicated was obtained.

3. The said MERCANTILE AGENCY are hereby requested to place in our keeping, for our exclusive use, a printed copy of a Reference Book, containing ratings or markings of estimated capital and relative credit standing of such business men, as aforesaid, prepared by them or the servants, clerks, attorneys, and employés aforesaid, together with the Notification Sheet of corrections. We further agree, that upon the delivery to us of any subsequent edition of the Reference Book, the one now placed in our hands shall be surrendered to them, and also that upon the termination of our relations as subscribers, the copy then remaining in our hands shall be given up to the said MERCANTILE AGENCY, it being clearly understood and agreed upon that the title to said Reference Book is vested and remains in said MERCANTILE AGENCY.

4. We will pay in advance

Dollars for one year's services, from the date hereof, of said MERCANTILE AGENCY, together with the use of the said Reference Book, pursuant to the foregoing conditions, and such other sum annually thereafter for the same as may be agreed upon between us, verbally or otherwise, subject always to the conditions and obligations above-mentioned.

5. THE MERCANTILE AGENCY are hereby permitted to reserve to themselves the right to terminate this subscription at any time, on the repayment of the amount for the unexpired portion thereof.

PREFACE.

In order to better illustrate the actual condition of Merchants and Traders subsequent to the shrinkage of the last three years, it was deemed advisable to re-adjust the Key, by which the ratings in the within volume are interpreted. While the effect of this change is to generally lessen estimates of Capital heretofore prevailing, the greatest effort has been made to avoid injustice in individual cases. A careful investigation has been made in all cases where the operation of the New Key was thought to be unfair, and an amended rating has been substituted. This investigation in a very large number of instances has been supplemented by detailed statements from the parties themselves, which, when confirmed by impartial judges, or criticized at independent sources, has enabled us to obtain a much closer view of claims to credit than ever before. The consequence is, that not only are we enabled to present a REFERENCE BOOK, containing reduced estimates to more safely guide the conservative dispenser of credits, but the book now photographs the real condition of the commercial community with an accuracy and precision which, years ago, it was imagined could never have been achieved.

In cases where the operation of the New Key is thought to unfairly estimate parties herein quoted, we should be glad to have our attention drawn to the names. The task of re-adjustment has been of such magnitude that some cases may have been overlooked, and we shall be glad to be set right in all such instances, though we are certain they must be few.

Subscribers are reminded that our detailed records have been greatly enriched by the numerous special investigations, statements, outside opinions, &c., which have resulted from the alterations in the ratings. These detailed reports are kept up at vast expense, for the guidance of our subscribers, who do themselves and us an injustice if they are not consulted in all transactions involving credit.

The Key will hereafter be placed on the inside of the cover, either front or back, not on the next page as heretofore. It will be found more readily in that position, and much less exposed to the danger of being torn in the frequency of the reference made to it.
